WELCOME TO THE KARNIVAL

Welcome to Karnival of the Arts East 2026!

For four days, we're bringing together music, art, flow, workshops, theme camps, vendors, performers, and plenty of weird and wonderful surprises in the Pennsylvania countryside.

Karnival is more than a music festival. It's a community-powered gathering built around participation, creativity, and connection. Explore the grounds, make some art, learn a skill, catch your favorite band (or discover a new one), join a workshop, visit a theme camp, and become part of the experience.

September 3–7, 2026 @ Kempton Community Center

83 Community Center Dr, Kempton, PA 19529

ARRIVAL, CAMPING & DEPARTURE
